

A presentation program for the Librarians of Chittagong

On March 15, 2006, American Corner Chittagong did a power point presentations program for the librarians of Chittagong. 25 librarians of Chittagong attended this program. The topics of the presentations were:

America – the real story and American Life and Culture by Dr. Michelle Jones, Deputy Director, the American Center, Dhaka

American Corner Libraries by Ms. Sabrina Hossain, the Corner Coordinator, the American Corner, Chittagong

Library outreach services and American Corners in Bangladesh by Mirza Hasan, IRC Associate (Outreach)

These three presentations were noteworthy and useful to the audience as they said. The American Center, Dhaka presented the librarians one documentary CD called “The Metal Crafts of Dhamrai” which was produced by the guidance and support of the American Center, U.S. Embassy, Dhaka.

American Corner Chittagong also took part in the American Week 2006 held in March in the port city, Chittagong. A large number of visitors showed interest to know about the Corner and to be a member of it.
